Dear Ms. Zehr,

We received notice on November 23, 2005 in reference to the Mid-Year Report filed earlier this year. The notice stated that we had not filed "payments for administrative expenses." I am writing this letter to inform you that we did not and do not incur any administrative expenses in order to maintain our PAC account.

In addition, you inquired about any "in-kind" contributions provided to our committee. We have received no in-kind payments.

Please let us know if any further information is needed.

Thank you for your assistance.
